

Every year, one of the main struggles we find with students is their ability to organize. In our continuing efforts to help students be successful at Eastmont, we have developed a standardized school-wide organizer/planner system for all students. It will be the same for every class, every grade. **We are offering the following materials that you may purchase, completely assembled, for \$20.00 as a part of the registration process;** or you may purchase on your own:

- 1 - 2" Heavy-duty three-ring binder
- 1 package - 8 tab/2 -pocket multi-color plastic divider
- 100 pages of lined paper
- 1 heavy-duty pencil pouch
- 1 dozen colored pencils
- 2 highlighters
- 1 red pen
- 1 black pen
- 1 - 6" ruler
- 3 - #2 pencils

We recognize that students will need to replenish some of these supplies during the school year, such as pencils, paper and pens, but the rest should last for the year and students will receive explicit instruction during their teacher advisory (TA) classes and core classes on how to successfully use the binder and manage their assignments. All students will be expected to have these, or similar materials. We will also provide student planners each trimester. The school will also be conducting binder checks as part of the grade for TA class. If you prefer a different type of binder, such as a zippered binder that prevents items from falling out, we are happy allow this, but will not provide it. We have researched the best quality materials with the longest lifespan. It is our hope that this will relieve some of your school shopping stress and guess work.

If you need assistance with purchasing these materials please contact our main office. We are always open to your concerns or questions regarding the organizer; please feel free to call us at 801-826-7000.
